President's Message

Dear Members:

I am honored and privileged to assume the role of President of the Georgia Women's Council of REALTORS. I am deeply grateful to my predecessors for their leadership and outstanding contributions. I would like to thank the Executive Governing Board and Chairs for their dedication to serve and the Local Chapter President for their commitment and all of their achievements.

I would like thank our state sponsors for their support. Their continue support has allow us to provide programming and education for our members who are striving to becoming leaders and successful entrepreneurs in the real estate community.

We are excited about this year and on the road to giving value to our members and increasing membership with valuable programs and events. The State Chapter has facilitated activities to assist the Local Chapter to increase and retain their membership. We are also planning to seek other organization as a source of leadership development and joint ventures.

The Local and State Leadership teams have accomplishing remarkable results with a booth at our Georgia Association of REALTORS Expo in February which resulted in 13 new members. Other activities resulted in two Chapters being recognize in May at the National Legislative Meeting in Washington, DC, for their outstanding achievement in the first quarter. The Metro South Chapter for recruiting new members and DeKalb Chapter and Metro South Chapter for retaining their members.

I am confident that we will be steadfast in addressing the challenges of providing opportunities to enhance business and leadership skills, while providing education and networking opportunities.
